For three months Toussaint's vigorous fighting broke the force of the French attack; one white army was swept away. But Toussaint made two fatal errors of judgment: he relied upon his trained army with its Negro generals, instead of arming his half-million Negroes for guerrilla warfare; and he trusted the pledged word of honor of Leclerc. His army fought bravely enough against the French legions, but the consensus of military experts is that Toussaint's officers, jealous of his domination and feeling that eventually France must win, treacherously gave over their posts and forces to Leclerc. Christophe surrendered on April 26, and Toussaint had no alternative but to put himself in Leclerc's hands.

Napoleon's private orders to Leclerc were positive and precise: "Follow your instructions exactly, and the moment you have rid yourself of Toussaint, Christophe, Dessalines, and the principal brigands, and the masses of the blacks have been disarmed, send over to the continent all the blacks and mulattoes who have played a rôle in the civil troubles. . . . Rid us of these gilded Africans, and we shall have nothing more to wish." Leclerc set himself methodically to carry out these instructions; by April, 1802, he had disarmed the blacks and received Christophe's surrender; the next task was to rid himself of Toussaint. By an apparently innocent invitation to dine and discuss the affairs of the colony, he lured Toussaint into his headquarters on June 10.[20] In the course of the meal Toussaint was seized, bound, and hurried on board a waiting ship. Haiti never saw him again; within a year he died of cold and starvation in a dungeon high in the Jura Mountains of southeastern France.

With Toussaint out of the way, it was now in order to proceed to the second part of Napoleon's plan—the reëstablishment of slavery. Leclerc was to use his own discretion as to the precise moment and manner of announcing this. His instructions from the Minister of Marine, Decrès (June 14, 1802), read in part:

> As regards the return of the blacks to the old régime, the bloody struggle out of which you have just come victorious with glory commands us to use the utmost caution. Perhaps we should only entangle ourselves in it anew if we wished precipitately to break that idol of liberty in whose name so much blood has already flowed. For some time yet vigilance, order, a discipline at once rural and military, must take the place of the positive and pronounced slavery of the colored people of your colony. Especially the

20. There is evidence to show that Christophe suggested this stratagem to Leclerc.
